

CALA FORTE 2019

- Denomination** Toscana Vermentino IGT
- Description** Cala Forte is a lively, easy-going Vermentino with a strong Mediterranean character. With its golden hues, striking aroma and fresh intensity, it is a perfect pre-dinner drink or companion to rich fish and white meat dishes.
- Vintage Report** Climatic conditions in 2019 were variable to say the least. The harsh winter was followed by a significant increase in temperatures and the plants began growing very early, starting in March. The cold, rainy period that followed in spring slowed the growth of the vines down and resulted in the water reserves being restored. This was crucial for overcoming what was to be a hot summer. The excellent weather during summer resulted in grapes that were very healthy at the time of harvesting.

TECHNICAL INFORMATION

- Variety** Vermentino
- Alcohol by volume** 12,5%
- Length of maceration on the skins** partial cryomaceration
- Maturation method** Stainless steel
- Length of maturation** 4 months in steel, 1 month in bottle
- Bottle formats** 0,75 l
- Tasting Notes** Cala Forte Vermentino 2019 is straw-yellow in colour. Its bouquet is distinctive, delicate and pleasant with Mediterranean aromas. The notes of citrus and yellow fruit are balanced out by hints of fresh flowers and aromatic herbs. On the palate, its freshness and tremendous flavour come together in perfect harmony with its alcoholic notes.
- Serving suggestions** The wine is a perfect accompaniment to seafood dishes, vegetable-based main courses and white meats.
